

TRANSFER STUDENTS:

A Note Concerning UGA Equivalencies in Core Requirements

Welcome to the University of Georgia!

If you are transferring from another University System of Georgia (USG) institution (i.e., another 2-year or 4-year Georgia public college or university) and you completed the Core requirements at your previous school/college, your General Education/Core will be considered to be satisfied at UGA.

If you are from a private college or university or a public institution in another state, your academic advisor will review your transfer courses and provide guidance as to where each will be placed in the UGA degree requirements.

If you have any questions about your transfer courses after you speak to your academic advisor, you should contact the dean's office of your UGA school or college for assistance. If you are unable to resolve any concerns you may have either in conversation with your academic advisor or your dean's office, you should contact the UGA Chief Transfer Officer (CTO):

Fiona Liken

Director, Curriculum Systems

320 New College

Athens, GA 30602
