

Setting Up Your eLC Course Page

If you have never used your eLC course page before, here's how to get started.

- Go to eLC (<https://uga.view.usg.edu/d2l/login>)
- Log in using your MyID and password
- Click on View all Courses
- If you don't see a course that you are listed instructor of record as teaching this semester, you can search for the course by clicking on "View all Courses"

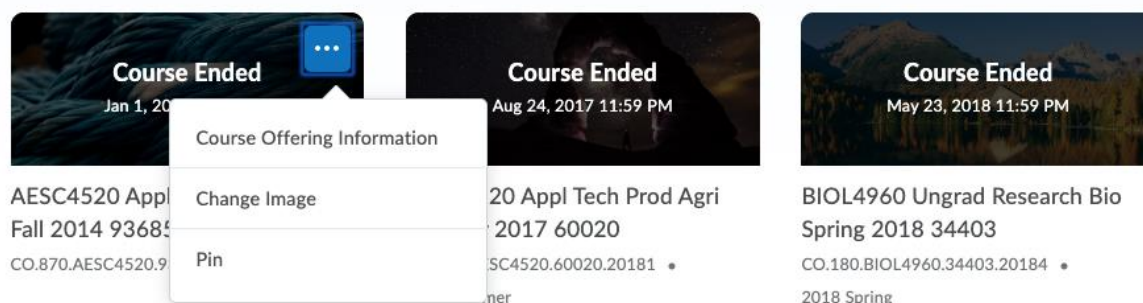

- Type your course prefix and number into the search bar
Tip: Try simply searching "Spring 2020" to view all of your Spring 2020 courses.

- Once you find your course, pin it so that it shows up whenever you log into eLC.

Unpinned

- When you next log in to eLC, the course icon will appear on your home screen. Click anywhere on the image to send emails or IMs (via the Classlist tab), upload documents (via the Content tab), set up assignments (via the Tools tab), assign grades (via the Grades tab) etc.

For more information and help with eLC, visit <https://help.elc.uga.edu/>.
